

Two Are Killed As Series Of Wrecks Reported In Area

Slippery Roads Get Blame As Many Accidents Reported

Two men were killed at 2:30 a.m. Tuesday when a pickup driven by Hilario Rodriguez Adame, 40, Los Angeles plunged 500 feet down an embankment a mile and a half west of Floriston on U. S. 40 freeway.

Adame and his passenger, Ramon Carrasco of Oakland were traveling east when the vehicle apparently got out of control on the slippery pavement and went over the bank. The road was straight and had been sanded at the point.

The bodies were recovered with the aid of the search lights on the Truckee fire department's rescue truck.

PEDESTRIAN HURT

Ralph Ridgway, 50, of Richmond, is in the Tahoe Forest Hospital with serious back injuries as the result of an automobile accident near the Boca bridge on the freeway Friday at 9:30 p.m.

Ridgway stepped out of his car to clear the ice from his windshield when a car driven by Phillip Ford, 51, LaFayette, skidded on the wet pavement and crashed into the pedestrian.

LT. Robert Moustiris of the Placer County Sheriff's Department escaped serious injury when the car he was driving skidded out of control on Brockway Hill Friday night at 9 o'clock and crashed into the rest rooms of the Union Oil service station. The building was badly damaged.

As a result of the snow and icy pavement, a number of lesser accidents occurred.

Max Cravter, 32, Hayward, and M. B. Adams, 38, Concord, were taken to the Tahoe Forest Hospital Monday afternoon, the former with serious injuries as a result of an

Golf Club To Name Committees Here

The Shadow Valley Golf Club will hold a meeting at Smart's Cafeteria on Monday, April 3, at 8 p.m. for the purpose of organizing a committee for the grand opening of the golf course.

The opening date has been set for Saturday, June 17. Lauren Russell has been appointed by the board of directors of the utility district to be in charge of all affairs concerning the operation of the golf course in the district's interest.

Mrs. Karl Kiehlhofer was appointed by Russell to aid him in organization of the opening ceremonies. A limited amount of cards are being mailed this week to persons who attended the first meetings of the newly formed club but everyone interested in participating is urged to attend.

It is hoped that some plans can be made for furthering the organization of the Shadow Valley Social Club on the same evening but the primary reason for the meeting will be the official opening ceremonies.

LAST RITES HELD AT LAKE FOR J. H. NORRIS

Rev. Franklin Evans officiated at last rites March 27 in the United Church of Christ, Squaw Valley for James Henry Norris who died in Tahoe Forest Hospital March 25, following a lengthy illness. Burial followed in Tahoe City cemetery.

The deceased was a native of California, born July 26, 1907. Mrs. Beatrice R. Norris, his wife and Mrs. William E. Swope, daughter of Lake City are survivors. The sincere sympathy of the community is expressed to the family.

Storms Add Little Moisture As Dry Season Is Expected

Scattered snow storms during the past week have added 1.27 inches of precipitation in the Truckee area, to bring the March total to 3.46 inches compared to the normal for the month of 4.13, the U. S. Forest Service reported yesterday.

Considerable more snow fell on Donner Summit bringing happiness to the ski resorts and valley ranchers who have viewed with alarm the long dry winter.

The total precipitation for the season here now stands at 15.27, compared to a normal of 26.88 inches for the end of March.

There were four inches of snow on the ground Tuesday.

The high temperature for the week was 59 last Thursday and the low was 18 Tuesday morning.

LAKE LEVEL

The level of Lake Tahoe Monday was 6223.90, subject to revision, with 17 gates open. Eleven inches of snow fell at Tahoe City during the week with 1.05 inches of precipitation.

Examination Will Be Held For Judge

AUBURN—An examination for applicants interested in the Tahoe Judicial District Court vacancy has been scheduled for Saturday, April 15 at 9:30 a.m. in the superior court room in the Placer County courthouse.

Applications for the position of judge, for which three have already announced, will be accepted until April 5. All applications must be on file in the office of the county clerk by that date and additional information may be obtained from the clerk.

Those who have made application thus far are Harry Hooper, Robert Pugazi and Paul Melee. C. W. Vernon, who had made early application, has withdrawn his name from the list.

FATHER EXPIRES ON WAY TO VISIT SON

Bert L. Greene, 59, supervising line engineer for the United Air Lines of San Francisco, suffered a fatal heart attack while attaching ski chains on his car on Highway 40 Friday.

Green was en route to Truckee to visit his son, Bert S. Greene and family when he was stricken and expired shortly after at a Colfax hospital.

He was a native of Wisconsin and had been employed by the airline for the past 31 years. He resided at Belmont with his wife, Mamie.

CORBIN IS SPEAKER AT EDUCATION MEET

The March meeting of the Tahoe-Truckee Education Association was held on Tuesday, March 21 at the Kings Beach Elementary School.

Following a coffee and doughnut hour, Mrs. Alysmae Schultz presided at the business session.

Carl Lude, program chairman, introduced John S. Corbin, superintendent of the Tahoe-Truckee Unified School District, who spoke to the group on "Problems of the Schools and the District."

DR. TAPIA MOVES TO FORMER LOCATION

Dr. H. P. Tapia this week is back in his former location on the street floor of the Telephone Building.

The office, which was badly damaged in the Christmas Eve theater fire, has been completely remodeled and refurbished. The treatment rooms, dressing rooms, x-ray department and other facilities are all new with new furnishings and decorations.

Since the fire, Dr. Tapia, chiropractor, has been practicing at his home at Donner Lake.

PAST OFFICERS WILL CONDUCT O.E.S. MEET

The Order of Eastern Star, Truckee Chapter No. 116 will convene April 4 for past matrons and past patrons night when Virginia Doyle, WM, and Paul Doyle, WP, will relinquish their chairs to Margaret Craig, PM, and James McIver, PP, for the evening.

A 6:30 pot luck supper with Drexel Strom as chairman, will be served prior to the meeting when former officers will preside.

Plans Progressing On Museum For Local State Park

Work Expected To Start In Late Summer On New Museum

The division of beaches and parks is scheduled to complete preliminary plans for the \$200,000 Donner Memorial State Park Museum within the next two weeks, according to information from the Capitol News Service at Sacramento.

At that time, Charles DeTurk, chief of the division will confer with State Architect Anson Boyd, because of the peculiar problems involved in the construction. The main problem, it is understood, is a requirement that matching rock be used in the building.

When DeTurk and Boyd have settled this question, the division of architecture will go ahead with the working drawings and plans. It is estimated this will take about four months, which means the project can go to bid in about mid-August.

Construction time would be about nine months, exclusive of delays caused by weather, it was learned. That means that it will be in late 1962 at least before the project is completed.

The appropriation for the so-called Emigrant Trail Museum is of a revolving type, but will not revert if the plans are turned over to the architect before June 30.

Incorporation Will Be Meet Subject

Ralph E. Kingston, chairman of the Citizens' Committee at the south end of Lake Tahoe, will be here next Wednesday and will speak before a meeting of the Truckee Donner Chamber of Commerce on incorporation.

South Tahoe recently conducted a survey on incorporation and Kingston will bring the results of the survey there for the benefit of local people who are asking whether or not this area will benefit by incorporation.

The meeting will be held at Smart's at noon.

TWO FORMER LOCAL PRIESTS ARE ON TV

Two former Truckee priests, Father Leo McAllister and Father James Brennan, were featured on a television program from Sacramento's channel 3 Sunday. The program was entitled "Why Catholic?" and during the half-hour the two priests answered questions commonly asked by non-Catholics regarding the religion.

Both priests were assistant pastors under Father P. J. O'Neill of Truckee. Father Brennan is now chaplain at Folsom prison and Father McAllister is assistant pastor at the Cathedral of the Blessed Sacrament in Sacramento.

THREE SMALL BOYS HELD IN BURGLARY

Sheriff's deputies recovered more than \$100 worth of merchandise stolen Sunday from McReynolds Sporting Goods Store at Donner Lake and took into custody three boys aged 7, 9 and 11. The loot, knives, axes and other new merchandise was found secreted on a hillside near the store.

TWO BABIES BORN AT TRUCKEE HOSPITAL

Eric Michael Reuter, weighing 8 pounds, 13 1/4 ounces, arrived at the Tahoe Forest Hospital at 11:07 p.m., March 23. His parents are Mr. and Mrs. Richard Reuter of Squaw Valley.

Mr. and Mrs. David Eaton of Truckee became the parents of a girl, born Sunday, March 26 in Tahoe Forest Hospital and named Deanna Marie. Her first weight was a chubby 9 pounds, 11 ounces. Mr. and Mrs. Harry Eaton are the proud paternal grandparents.

DeMOLAY BOYS VISIT LAS VEGAS MEETING

Darryl McGihon, accompanied by five members of the Truckee Chapter of the DeMolay left Wednesday morning for Las Vegas where they are attending a convention of the organization.

Those leaving for the south included Gene McGihon, Terry Walker, Bob Kettnerhofen, J. C. Roberson and Barry Leamon.

Donner Lake To Be Open For Fishing Saturday Morning

Anglers are looking forward to Saturday when the fishing season opens at Donner Lake. If the weather moderates, and all indications are that it will, fishing should be good, the experts predict.

The season on Donner will remain open until October 31 and the limits are a bit confusing. Between April 1 and April 28, five trout, but not more than 10 pounds and one trout comprise the limit.

From April 29 to October 31, ten trout, but not more than 10 pounds and one trout will be permitted. Irrespective of weight, three trout may be taken during the open season.

No fish may be used for bait or possessed for use as bait in Donner, Fallen Leaf and Lake Tahoe except minnows and suckers which have been taken directly from the lake where they are used for bait.

With a break in the weather, the lake will be spotted with boats.

Judge Snell Dies Following Illness

NEVADA CITY—James Snell, 83, who read law as a miner in Calaveras and Nevada counties and went on to become a superior court judge, died late Saturday in his home here.

Judge Snell retired in 1957 after a decade in the superior court. He had just returned to his home Saturday after being hospitalized since January.

The jurist had been an attorney in Nevada County from 1909 until his election to the superior court bench in 1947. He was a 50 year member of the Nevada City Elks Lodge, a member of the Masons, a Shriner, a member of the Eastern Star and E. Clampus Vitus.

He was a native of Virginia City, Nev., and came to Nevada County when 3 years old.

Survivors include his wife Emma; daughters Esther R. Brown of Loomis, Placer County and Mrs. John A. Damm of Hollister, San Benito County; sons, Lloyd and William of Fresno, and his uncle, Dr. Hollis Snell of Sacramento.

Hockey Games To Be Featured Soon At Squaw Valley

Cities Will Send Teams To Compete In Tourney April 7, 8, 9

Mammoth Blyth Arena in Squaw Valley, scene of the 1960 Winter Olympic Games, will be opened Friday, April 7, with the Far Western Ice Hockey Championship Tournament, continuing Saturday and Sunday, April 8 and 9.

This announcement was made today by Squaw Valley Improvement Corporation, operators of Olympic Village who will officially take over the Blyth Arena from the state of California, April 3.

Executives of Olympic Village have made a complete check of the 8600-seat arena's facilities and find everything in first-class shape for sports and other public events. Inspection was made by William Newsum, Jr., vice president, Squaw Valley Improvement Corporation; Fred Onorato, manager of Olympic Village; Guy Peyton, head of maintenance for the state of California's Division of Beaches and Parks; Bill Kerth, coordinator for the forthcoming ice hockey tournament; and Kent Diehl, public relations director for Olympic Village.

Kerth, who was director of ice events for the 1960 Winter Olympics, found the facilities in excellent shape. The ice-making equipment, Kerth said, is the finest in the world, and the extensive facilities of Blyth Arena were declared

Dr. Wyatt Involved In Burglar's Death

Dr. Thomas D. Wyatt, convicted of attempted abortion during a Washoe County District Court trial in February, is recovering from gunshot wounds in Mexico where he was the victim of a burglary in which he shot and killed the alleged assailant.

Dr. Wyatt, who operated an office at Crystal Bay, was vacationing at Nogales, Sonora, according to press reports, when he and Mrs. Wyatt were assaulted by the burglar, Jesse W. Clark, 51, who was killed in an exchange of gun shots.

Authorities said Clark managed to take some \$800 before the shooting began.

Consulate officials said Clark broke into the trailer occupied by Dr. and Mrs. Wyatt a week ago last Sunday. Both Dr. Wyatt and his wife were wounded in the shooting but both are reported recovering in a hospital about 100 miles south of Nogales. The doctor was hit several times and his wife was shot in one leg.

After his conviction in February, the doctor posted \$10,000 cash appeal bond. Since the appeal sum was paid in cash, there was no travel limitation imposed by the bonding company.

Dr. Wyatt was unsuccessful in his suit against the Tahoe Forest Hospital demanding that he be permitted to practice here.

INCREASED RETURNS FOR BANK PATRONS

Increased returns for savings depositors at Bank of America was disclosed with the bank's announcement that beginning April 1st interest would be paid on a daily basis at the rate of three per cent per annum.

In addition, the bank will extend its grace period for deposits to include the first ten days of each month, in contrast to the first ten days of each quarter, it was announced.

"This new program of interest payments on savings accounts means that depositors will receive interest for each day their money is on deposit and that any money deposited by the tenth of each month will earn interest from the first of the month," Bank of America President S. Clark Beise pointed out.

"All interest will be compounded quarterly," Beise said.

This represents the first change made in interest payments on savings accounts since December 31, 1956 when Bank of America raised its rate from 2 per cent to 3 per cent compounded semi-annually.

Dance Exhibition—

Dianne and Billy Rose, children of Mr. and Mrs. Zeph Rose put on an exhibition dance at the Murray Studio in Reno last week and were roundly applauded for their excellent exhibition of ballroom dancing.

School, Utility To Elect Officers Here During Next Month

Two elections of more than passing interest are scheduled during the next month, with opposition in both.

The first to be held is in the Tahoe Truckee Unified School District in which five candidates are seeking the three posts to be filled. That will be held April 18, when three members of the governing board will be chosen.

At the same time an election will be held for trustees for the Sierra Junior College District with three incumbents unopposed. They are Harold M. Welch of Truckee, Richard Lee and William O. Francis of the western end of Placer County.

Those seeking positions on the local board are Byron K. Miller, Floriston; Gordon D. Moyer, Tahoe City, and R. E. Smart, Truckee, all incumbents, and Paul T. Rivard of Tahoe City and Max D. Williamson of Soda Springs.

The second election, scheduled for May 2 will decide which of the seven candidates will occupy the two positions to be filled on the governing board of the Truckee Public Utility District.

The seven who have filed are Lauren Russell, incumbent; George Kaspian, Eve Popovich, Jess Holman, P. H. Greenhouse, James McIver and Dr. Henry Tapia.

Clubs Name Girls In Queen Contest

By VIRGINIA O'BEAR
Two local service clubs turned in their candidates names this week to the Ladies Auxiliary of the Donner Lake Volunteer Fire Department who are sponsoring the box social and queen contest on April 28.

The Truckee Lions Club will have Miss Renee Hall as their entry and the Donner Lake Resorts organization chose Mary Harris. Other service clubs will turn in the names of their candidate by April 10 so the girls will have their pictures in our local paper and the Sacramento Bee before the contest.

All persons are invited to attend and there is no admission charge. Free tickets entitle holder to vote for the candidate of their choice and for the door prizes. One ticket and one vote per person, must be present for both voting and door prizes. The event will start at 6:13 and each lady is asked to bring a decorated box supper for two which will be auctioned off. This is a family affair and children are invited also.

Parents are asked to bring a separate box for the children which will not be auctioned off and free coffee and cold drinks will be served by the auxiliary.

The winner of the queen contest will reign as Miss Donner Lake and the two runner-ups will be the princesses. The remaining girls will be the royal court with all girls participating in events for a year. Plan to attend the box social and queen coronation at the Tahoe Truckee High School, the whole family will enjoy this event.

STRIKES & SPARES

BY JOE WILMAN

PUSHAWAY ADDS UP TO SPEED

One easy way to increase speed for smaller-than-average bowlers is to raise the ball in the stance. If the ball is now held waist high, move it up to the chest, as Buddy Bomar shows in today's illustration. Or move it up to chin level, or just below the eyes.

Raising the ball in the stance will give your arm swing a longer arc, allowing it to build up more speed in an easy, natural manner. The ball will be falling into the backswing from a higher point and will probably swing further back as well. Likewise, it will swing forward in the arm swing at a better speed than before.

One thing to look out for with this increased arm swing is your timing. With your arm swinging further, it will take a bit longer to get up to the foul line. Make sure you slow down your footwork to compensate for this longer arm swing. The arm swing and the footwork must continue to work as a single movement for proper timing.

Buzz Fazio is one of the smaller men in bowling, yet he gets fine speed on his ball by pushing it out in the pushaway motion from a point just below his chin.

Ella Rae and Sophie celebrated with dinner at the Fultons—decor in yellow for spring. Guests were George and Frances Gerlits, Fred and Hannah Reynolds, Ella Rae and Joe Fulton and John and Sophie Levra.

Paul celebrated with dinner at home with family, wife, Jat, and children Paula and Peter.

The Peder Adamcos of Lolland, Denmark, are planning to retire from their farm this fall, according to letters to son Paul of Kings Beach, and will spend three months visiting. Paul is brushing up on his Danish—parents don't speak English—and if he has forgotten?

Mrs. Victoria Malla of Kings Beach is at home after having a hip operation, and is recuperating nicely. Mrs. Malla is the mother of Ned and Betty Esola. Eighty-fourth birthday this year, and no one believes it—being active and alert keeps Mrs. Malla young.

Bob and May Critchley and daughters, Sherry, Karen and Kathy of Tahoe Vista are enjoying an Easter vacation. "Pop" Critchley, Bob's pape, drove up from Oakland to go with them to Medford.

Truckee High School spoke on "Child's Intelligence" and a film was shown on the subject.

Sunset Magazine, April issue, features a timely article on Tahoe entitled "Springtopping at Tahoe." Fishermen may profit by reading the well written informative report and accompanying map.

Robert Todd Elliott is the name selected by parents Bob and Carolyn of Tahoe Vista for their new son. Congratulations!

Nominations for officers for the coming year were presented and will be voted at the April meeting. The slate is: president, Ron Mills, Don Stumbo, Don Beck; vice-president, Vonnice Jones; secretary, Alan Price; treasurer, Betty Rich. The April 20th meeting is to have a fun program presented by the parents—phone Audrey Brehler or Kathryn Abbott for participation.

Vi Hefferman of Carson City is spending a week's vacation with her son and family in Oakland. Vi is a former resident of Crystal Bay, Nevada, and is working and commuting here from Carson City.

Back home in Kings Beach after a two months sojourn are Helen and Bill Fries. Trip included the Mardi Gras at New Orleans, thence on to Mexico where Acapulco was their main headquarters. Back in time for snow!—just flurries!

Slim and Ivey Laborde of Kings Beach spent the weekend in Stockton visiting Slim's family.

John and Jerri Ravburn of Incline Beach, Tom and Theresa Sutton and Sam and Ruby Faulkner of Kings Beach are home again after a two weeks trip to Las Vegas, Santa Ana, and Tepoca Hot Springs in Death Valley.

Mr. and Mrs. M. R. Price (Sam's parents) of Fullerton accompanied the Faulknors on the trip to the Springs and Las Vegas.

Joanne Smith and children Mary, Jimmie and Ronald are visiting parents and grandparents, the Sam Faulknors, at Kings Beach for two weeks during Easter.

Spring clean-up time is just around the corner! Combined fire departments—Crystal Bay, Doug Ingram, fire chief; Kings Beach, Joe Fulton, fire chief; Tahoe City, Al Henry, fire chief; Squaw Valley, H. Hepner, fire chief; and schools of this area, are urging residents to cooperate. Spring clean-up week is April 15th, rubbish, trash, garbage areas, checking roofs, eaves and rain spouts, checking electric cords—after that comes the dust mop, mop, vacuum cleaner and the elbow grease to get everything pick and span—then paint! According to Joe Fulton the entire north shore should be "ship shape" for summer and fire hazards under control, water shortage should further alert residents.

Mr. and Mrs. William Malley and children Jeff and Karen of Kings Beach went to Vista on March 16th to celebrate the Golden Wedding Anniversary of Joan's parents, Mr. (Continued on Page 7)

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY
KINDERGARTEN: We enjoyed the Easter records that Mary Kay Rose brought to school last week. Donna Rablin and Tommy Anderson brought Easter story books to share with the class. Howard Manley brought an attractive Easter basket to show to the class and Mark Ford brought an "enchanted" Easter egg with a beautiful scene inside.
FIRST AND SECOND GRADE: For "show and tell," Phillip Grow

brought his model helicopter. Denise Clepper went to Disneyland for Easter vacation. Phillip Grow, Judy Dent, Mike O'Bear, Robert Johnson, Carl Kuttel, Steve Stone, Steven Cochran, Sharon Eckerman, Kathleen Penningast and Patricia Hausauer were our best arithmetic students for last week.
THIRD GRADE: Many of our class have been absent this week because they have had measles. Best wishes for a speed recovery are sent to Kay Snider, David Capel, Debbie Jo Wurst, Larry Simmons, Joy Frates, Debby Harris, Mark Manley, Ben King, Larry Doyle, Steven Rose, Carl Mahon and Nancy Raynor and Jim White.

FIFTH GRADE: Several students are showing great improvement in effort in their studies. The proud are James Stone, Billy Hobbs, Russell Glenn, Hattie Baxter and Carol Brown.
 Kenneth Bretthauer was the Wednesday A-Speller this week and was therefore allowed to give the Friday spelling test.
SIXTH GRADE: Our new class officers are: president Dick Purington; vice president, Pat Merica; secretary, Ronny Kyle. Monitors are: waste basket, Dave Derting; sink, Patsy Tapia, Lonny Tapia; windows, Gary Waters; Blackboard, Heidi Euer.
SIXTH AND SEVENTH GRADE: In arithmetic those getting "B" or better are: John Atkinson, Mike Snow, Janice Williams and John Sturcke.
 Those who got "A" on their trial tests are: John Atkinson, Grace Blakely, Kathy Braasch, Julia France, Rhonda Manley, Kathleen Norton, Terri Richards, Janice Williams, Bonnie Bucholtz, Barbara Lyddane, Laurel Mason.
KINGS BEACH SCHOOL
SECOND GRADE: Glen Belvin transferred to San Jose. We are sorry to have Glen leave our class. We now have 27 in our room. The following children were excellent listeners during our listen

and learn period: Becky Anderson, Becky Erickson, David Krako, Mia Melvyn, Susie Dean, Susan Leon and Diana Finigan.
 On Monday, Mrs. Wing was absent due to laryngitis. Mrs. Harriet Price was our substitute teacher.
 Jon Jensen is spending his Easter vacation visiting his father, Jackie Jensen, in Phoenix, Arizona.
THIRD GRADE: We studied weather last week. Scott Ferguson and Lyle Draney have been taking the high and low temperatures daily. Gary Riggs brought a weather vane he had made and demonstrated it to the class.
FOURTH GRADE: Our class made some Easter trays for the aged people at Washoe Medical Center. The money they used for supplies came from winning the March of Dimes prize.
 Ellen Dennis has gone to San Francisco.
 Jon Beeman broke his arm.
 Donna Martin was out with the flu.
SEVENTH GRADE: In last week's spelling test, Howard Price, Darryl Lausche, John French and Paula Martin received A's while Larry Tiller, Bruce Templeton, Celia Manning, Darryl Cernusak, Phil Thompson, Michaeline Rates, Bob Mondino and Bill Hane received B's.

Our class committees for the next month are: ball—Joe Hart, a new boy and Darryl Lausche; bulletin board—Gail Wilson, Phil Thompson and Dale DeSylva; chalkboard—Beverly Bergman and Stephen Newberry; clean-up—Laura Dwight and Bruce Draney; library—Linda Gerlits, Larry Henderson and Rondi Thorwaldsen; projector—Vern Wing, Mike Reed and Nelson Romero; record player—Mike Thomas and Bob Mondino; and row—Bill Hane, Terry Boatman, Jill DeSylva, Steve Felte, Paula Martin and Michaeline Rates.

Luggage Care

When the spring cleaning urge strikes, and you're straightening closets, chances are you'll find the luggage. To get it in top shape for vacation, give it a beauty-and-health treatment—as follows:

Smooth leather (brown): use saddle soap, thorough drying, paste wax or neutral shoe cream. To lighten, add juice of 1/2 lemon and 1 cup of water; darken with several coats of lemon oil.
 Colored leathers: mild soap suds, gently rubbed in, then a polish of neutral shoe cream.
 Alligator leather: saddle soap and paste wax.
 Rawhide leather: soap. For deep spots, fine steel wool. Reseal leather with shellac, then wax.
 Coated fabrics: soap and water. For heavy soiled spots, 2 tbslp. ammonia plus 1 pint water. Finish with liquid linoleum wax, well rubbed in.
 Miscellaneous: for scratches in glass fiber luggage, use fine steel wool. Use special metal cleaners for aluminum.
 When done, store luggage away from extremes of temperature and humidity or dryness. Protect with luggage covers or heavy paper wrapping. Use name tags or write on paper for quick identification. Don't pile luggage, but stand it on reinforced side.

DONNER DOINGS

By VIRGINIA O'BEAR

I want to take this opportunity to wish everyone a "Happy Easter," despite all of the snow on the ground and the weather. Even though many of us will not be wearing the traditional white shoes and Easter finery, I'm sure all of us will remember why we observe Easter and that is the important thing.

I am a very happy person this week as our son Harold finally arrived home from the army. He was stationed in Germany and brought home many beautiful pictures of Germany, Paris and all the countries he visited on leave. He will be with us for a week or so then he will head for his place in Montana to do a little prospecting. This week our relatives will be coming to visit us from all over the country to see Harold and help us observe Easter and a delayed Christmas holiday.

You should see the beautiful sun tan Dick Hormaniski has. He spent nearly a week in Death Valley and came home to find snow and much work with chain control. It seemed (Continued on Page 6)

turned to the fifth grade with a tremendous welcome from the class. Comparisons were made between the school he left and Tahoe Lake with approving remarks in favor of Tahoe Lake.

SIXTH GRADE: Those who made "A's" on the reading test last week were: Donald Kupka, Terry Stinson, Paul Sullivan, Gary Taylor, Scott Wall, Doug Wertz, Davalene Alves, Gretchen Lawlor, Georgianna Luffy, Leigh Swigert and Holly Wall.

Those with 100's on spelling test last Friday were: Jim Bechdolt, Steve Mayhew, Dick Pomin, Tom Stephani, Ralph Stromgren, Scott Wall, Rae Lee Grahm, Gretchen Lawlor, Darlinda Stark, Leigh Swigert and Holly Wall.

SEVENTH GRADE (Mr. Hawk): A's in the chapter on percentage were Julie Bechdolt, Cathy Connors, Ann Duttweiler, Judy Ingram, Karen McBride, Jerry Jorgenson, Roger Kahn and Bob Ose.

SEVENTH GRADE (Mr. Steinhauer): The class just finished their social studies test covering the most recent two chapters. Grades on this test will be in the "news" next.

Receiving "A's" in last week's trial spelling test and not needing to take the final test are: Cynthia Chandler, Becky Gorgia, Jeff Lodi, Warren Moyer, "Cookie" Myers and Glenna Hepner.

EIGHTH GRADE: We are taking our tests for the third quarter last week. Those who received a B or better average in spelling were: Holly Shaw, Pat Payton, Greg Moore, Linda Taylor, Susan Stephani, Larry Dettler, Larry Ingram, Katie Schwiager, Eddie Hoff, Larry Lindsay and Sherry Wall.

Those receiving B or better in English were: Larry Lindsay, Greg Moore, Harlene Hopkins, Eddie Hoff, Janet Stromgren, Sherry Wall, Susan Stephani, Holly Shaw and Barry LaTour.

DONNER SUMMIT NEWS

By LLOYD W. GAY

SUMMIT WEATHER
The fabled lamblike side of March has not yet appeared, as a late season storm dropped 26 inches of snow over the weekend for a weekly total of 30 inches on Monday morning, and a seasonal total of 250 inches. The snowpack on the ground rose to 80 inches on Monday morning at Soda Springs, for the greatest depth recorded this season. At this time

last year the depth was 70 inches. The temperature was a warm 52 degrees on March 21, and dropped to 18 degrees on the morning of March 25 for the coldest day of the week.

FREITAS MEMORIAL SLALOM

The Bill Freitas Memorial Giant Slalom team race held Saturday at the Sugar Bowl was won by the team representing the University of California as seven teams from the Bay Area Ski Federation clubs competed for the title. The university team, composed of Kitty Houghton, Marilyn Smith, Lois Blood, Larry Larson, Paul Duncan, Albi Dickson, Greg Austin and Larry Galer, was timed in 5:23.2 to barely edge the Sierra Club entry which posted 5:25.3. The Sierra Club team, composed of Pat Formicelli, Roberta Huber, Barbara Lerch, Roger Hackley, John Thune, Tim Layton, Pete Astwald and Ted Lerch, was followed by the third place Peninsula Ski Club in 5:48.5, the Viking Ski Club of San Francisco in 6:04.1, the Oakland Ski Club in 6:11.7, the Nature Friends in 6:20.5 and Peninsula No. 2 in 8:19.5. The fastest men's time was by Hackley of the Sierra Club in 3:59 and the fastest women's time was by Formicelli, also of the Sierra Club, with 4:16.

ASSIGNMENT IN CHILE

Hank Petersen, who has been in charge of the Ski Patrol at the Sugar Bowl for the past three seasons, left this week for Santiago, Chile, where he will direct a snow clearance and avalanche control project for an American mining company whose copper mine is located at 12,000 feet elevation in the Andes out of Salidilla. The mine is linked to town with 22 miles of avalanche threatened road. Hank will be in charge of the snow clearance crew, equipped with several large new rotary plows just

NOT BY BREAD ALONE

by J. Edgar Hoover, Director, Federal Bureau of Investigation

The United States is involved in a world crisis. We did not create this crisis. The communists in Russia began it in 1917 when they established their dictatorship. Their goal ever since has been to use revolution to rule the world.

COMMUNISM claims that man is only what he eats. Democracy rightfully insists that man does not live by bread alone, but also by spiritual values. In this profound difference lies the intense drama of the conflict.

Hoover

EVERY TYPE of mass communication is used by the communists to mold men's minds. They portray peace, progress, and prosperity as characteristic of their world. The noncommunist world on the other hand, is pictured as something with instability, exploitation and upheaval.

By identifying the communist world as the hero and the Free World as the villain, the communists insist upon the triumph of communism, not only as inevitable, but also as the victory of good over evil.

The Communist Party, USA, is a beachhead of subversion within our own Nation. It is a tightly knit, hard-core group with unwavering allegiance to the Soviet Union. In the showdown with the United States which they insist is inevitable, they rely heavily on the Party

as an advance detachment within our borders ready to carry out hostile acts.

THE STRENGTH of communism lies in its rigid discipline and dedication. Every communist unhesitatingly sacrifices his personal life to advance the cause. He is not bound by any scruples, and he is guided by the principle that he is actively at war with the entire noncommunist world.

Communists say that their godless philosophy is based on science. But Marxism-Leninism is no science. It is a hodgepodge of half-truths and errors, with startling contradictions.

IN THE NAME of humanity, communism suppresses the most elementary human values and robs the individual of his dignity and worth. In what is pictured as a worker's paradise, slave labor is commonplace, workmen are denied the right to strike, anti-semitism is almost official policy.

Communist philosophy is false. Its tactics are abhorrent to the entire civilized world. In their goal of a world-wide stateless, classless, godless society the communists are pursuing an illusion—an illusion because man by nature is meant for creativeness, freedom, and growth.

MAN'S ORIGIN, purpose, and destiny are intelligible—a fact which communists ignore. Man is not, as communists claim, merely a product of chemistry and physics. He is endowed by his Creator with a purposeful life.

POPULATION GAIN IS BURDEN TO LAWYER

California's increasing population has placed additional problems in the office of the lawyer for the state, declares Attorney General Stanley Mosk in his department of justice biennial report, 1958-1960, to Governor Brown, released today. With an estimated 16,000,000 population, the caseload of the attorney general's office has risen 13 percent in the biennium, an increase three times faster than the increase in population. There were

being produced in the United States, and will direct a program of avalanche control using explosives and recoilless cannon. En route to Chile, Hank will spend a week with engineers in Denver, Colorado, whose factory is producing the new rotary plows. The assignment is expected to be a six month period through the Chilean winter.

ICE FOLLIES OPENS AT BAY ON JUNE 14TH

SAN FRANCISCO—The spectacular Silver Jubilee Edition of Shipstads & Johnson Ice Follies will complete the 25th year of its Cinderella career with a gala opening at Winterland on June 14. The handful of Minnesota ice skaters who set forth in a rented bus and a set of homemade costumes for fame or failure in 1936 now salute the more than 50,000,000 paying patrons who have projected them into the most successful entertainment enterprise of this generation.

9,873 criminal and civil cases taken by Mosk's assistants before various courts and administrative hearings in the two-year period of the report.

Criminal cases filed, including auto forfeitures, were up 23 percent with an increase of 24 percent in criminal cases closed in the biennium.

BILL BLISS PLANNING DINNER TO PIONEER

The following item of local interest appeared in Herb Caen's Column in the San Francisco Chronicle this week:

AND HOO-HA: My hero for today is Bill Bliss, the Tahoe pioneer and owner of Glenbrook, who plans to re-enact at the Palace the original dinner given there in 1876 for Senator Sharon—an event that, for sheer opulence, has never been duplicated hereabouts. Bliss plans to go whole hog; men only, full evening dress, menus on Comstock silver plates from Shreve's, masses of blooms, filets, quail, pate, Minden lamb, and five wines, from La Tour to Margaux. If you're dying to be invited to this rout, I have only one flaw for your erment. It'll be Dutch.

WATER COMPACT TO HOLD CAPITOL MEET

SACRAMENTO — Proposals for allocation of waters between Nevada and California in the Truckee, Carson and Walker River Basins will be discussed by the California-Nevada Interstate Compact Commission of California at its meeting Tuesday, April 4.

The group will meet in the assembly room of the state department of Agriculture building, 1220 N Street, Sacramento, starting at 10 a. m.

Other items on the agenda deal largely with internal operations of the commission.

The next regular meeting of the Joint California-Nevada Interstate Compact Commission is scheduled for Reno April 17 and 18.

COUNTY GETS LARGE SUM IS SALES TAXES

SACRAMENTO — (CNS) — The state board of equalization has distributed \$39,084 to Nevada County as its share of \$60,340,046 in local sales and use taxes distributed by the state during the first quarter of 1961.

The distribution total to 341 cities and 55 counties was slightly increased over the first quarter of 1960, due mainly to the addition of Alpine and Santa Barbara Counties to the program.

The cities received more than

TOURISTS TO STATE BETTER THAN GOLD

SACRAMENTO — A state official claims that visitors to California have spent more money in the last four years than the state produced in gold from 1848-60.

Charles DeTurk, chief of the Division of Beaches and Parks, said at the California Association of Convention Bureaus Conference

three-fourths of the total allocations in the first quarter of 1961. The counties shared nearly 15 percent and the city and county of San Francisco received more than 7 1/2 percent.

DRIVER FINED

TAHOE CITY — Richard Lance Weeks of Squaw Valley, pleaded guilty to disturbing the peace and being drunk and was fined \$131 in the Tahoe Judicial District Court.

The San Francisco International Airport in San Mateo County is a completely self-sufficient city, that the average visitor spent \$172 during 1959.

He said the total visitor spending that year was \$839 million, about 10 times the value of the gold mined in the best year of the gold rush.

POTLUCK LUNCHEON PLANNED BY WSCS

KINGS BEACH — The Kings Beach W.S.C.S. will meet Wednesday, April 5 at 10:30 a. m. in the home of Sophia Levra. There will be a potluck luncheon at noon. President Ruth Mizner will preside. The study topic is "Woman's Changing Roles." A chapter review "Some Interesting Worlds" from the book "Safe In Bondage" will be presented by Mrs. Elsie Wilson.

Of special interest will be highlights of mission work in China and Japan. Members and friends are invited to attend.

A great deal of local talent is being utilized in the forthcoming Emblem Club benefit production "Belles and Bows" which will be presented by the group on May 19 and 20. One of the many interesting acts will be a can-can line which will be staged by expert choreographer Myrtle Carnell. Local lovelies who will be gracing the line are Pat Cross, Liz Reynolds, Phyllis Gardner, Sally Pyle, Marilyn Fugazi and Nancy Stark.

The Paul Rivard family of Lake of the Sky are vacationing this week visiting friends in Pasadena and Fallbrook.

Tommy Carnell, son of Dick and Maisie Carnell of Tahoe City, has returned to his home after a short stay at Tahoe Forest Hospital. Tommy was injured last week in a tobogganing mishap near his home.

Principal Jim Reynolds has announced that all is in readiness for the Tahoe Lake School senior choir's production of a minstrel show. Evening performances will be given at 8 p. m. on both April 14 and 15 with a matinee performance being staged at 2 p. m. on April 15 especially for children. A preview will be given on Tuesday, April 11, at the regular Rotary Club meeting.

choreographer for the show is Mrs. Maxine Chandler of Squaw Valley.

Tickets are available at the school or may be obtained from any senior choir members. The cost is \$1 for adults and 50 cents for children.

The host club took five out of eight first places at the meet sponsored by the Lake Tahoe Archers which was held at the club's indoor range in Tahoe City last Sunday. Archers from Reno, Fallon, Sparks and the lake competed. First place winners were awarded gold belt buckles while second and third place winners won medals.

Local bowmen winning gold buckles were Bernie Banta, Bob Wheeler, Ed Gill and Favon Cook. Don Heitman, Reno resident who is a member of the local club, also won a gold buckle. Local marksmen winning second and third place medals were Wayne Johnson, Leah Cook, Ivy Kimball, Otis Lyons, Bob Johnson, Don Lambert, Don Bonzey, Jim Banta, Alan Holmes and Marvin Johnson.

The next shoot the Lake Tahoe Archers will sponsor will be an outdoor meet scheduled to be held at the club's outdoor range in Tahoe Vista on May 28.

Mr. and Mrs. Jim Reynolds are vacationing this week in San Francisco and in the Los Angeles and Disneyland area.

Birthday celebrations were held in the Charles Cross, Jr. home in Tahoe City last week by both father Charlie and daughter Judy. Judy observed her fifth birthday but no mention was made of the number of candles on father's cake.

Very proud is all of Tahoe City of 17-year-old Jimmy Heuga of Lake Forest who captured first place in the combined score at the Harriman Cup ski races held last weekend at Sun Valley. Congratulations.

Visiting San Francisco this week are the George Caulkett's of Dollar Point. They were accompanied by sons Jon and Jim.

The Women's Club of Tahoe announced this week that it was necessary to cancel their evening card party which was scheduled for Wednesday, March 29. The party will be held at a later date which will be announced by the co-chairmen of the affair, Mrs. Phil Geier and Mrs. Herman Henke.

The five McBrides, Dave, Chick, Leslie, Dianne and Karen, are spending a pre-Easter holiday in San Francisco this week.

Nancy Tomlinson won high score of the evening at the Monday Night Bridge Club session held at the Tahoe Park residence of Elaine Kahn last Monday night.

PARISHIONERS ASKED TO BRING FLOWERS

TAHOE CITY — Parishioners of St. Nicholas Episcopal Mission are asked to bring white flowers or Easter Lillies for the Easter service.

The bringing of personal flowers for the Easter service is a very ancient custom in the church. The Very Rev. Kepler who is Canon to the Diocesan Cathedral in Sacramento will be here to offer Communion on Easter Sunday at both St. Nicholas and South Tahoe Missions.

COUNTY GETS SHARE OF ROAD USER TAX

SACRAMENTO — (CNS) — State Controller Alan Cranston announced Nevada County has received \$482 as its share of highway users taxes for February. Cranston apportioned \$48,898,273 in highway taxes during the month — \$38,678,033 to the state highway fund, \$7,356,491 to the counties and \$2,863,749 to the state highway fund for cities.

of Tahoe City and Bob Briggs of Carnelian Bay one bit. They went lake fishing and even reported catching one big one — of course, a bigger one got away.

Don and Martha Snyder, accompanied by daughters Stephanie and Sandra, are spending the Easter holidays in Stockton.

Spending two days in San Francisco this week looking for Chinese junkies were Mr. and Mrs. Tom Coster and Mr. and Mrs. Otis Lyons, all of Tahoe City.

Emblem Club Notes: Such a pronounced success was the square dancing at the box social held last Saturday night at the Elks Lodge that it was decided to form a class for this activity in the near future. Anyone interested in participating in this activity is advised to contact Florence Brown at JU 3-3995. Sophia and John Levra were the callers for the square dancing and the very accomplished auctioneer was done by Steve Korich.

Mrs. Ivy Kimball and daughters Denise, Mimi and Sonya are spending Easter week visiting with Mrs. Kimball's mother, Mrs. Catherine Roskelley, in Concord.

Visiting relatives in Boise, Idaho this week is Mrs. Leah Cook of Tahoe Park.

The Lake Tahoe Emblem Club No. 347 will hold an initiation on Monday, April 3 at 8 p. m. at the Elks Lodge in Tahoe Vista.

Anyone interested in joining is advised to contact membership chairman Mary Kimball of Tahoe City.

EPISCOPAL MISSION SHOWS BIG INCREASE

TAHOE CITY — Rev. Arnold Carlson, who assumed his duties as vicar of St. Nicholas Episcopal Mission the first of this year, has already succeeded in establishing himself in an extremely busy schedule. Besides serving the Tahoe City church, he has started a thriving mission which was increased by 10 communicants last Sunday, bringing to 30 the total number of active communicants.

The Tahoe City church which is becoming increasingly active, had two services on Palm Sunday with a combined total attendance of approximately 65 persons.

Both churches are striving to attain parish status. In order to achieve this status, a church must have at least 50 active, adult communicants and it must be entirely self-supporting.

Regular services are conducted by the Rev. Carlson at South Tahoe at 8 o'clock in the morning and at St. Nicholas, Tahoe City at 11 a. m. each Sunday.

JIMMY HEUGA WINS IN HARRIMAN MEET

SUN VALLEY, Idaho — Teenagers all but took over from Olympic veterans Saturday in the men's and women's slalom runs of the Harriman Cup Ski Races. Billy Kidd, 17, Stowe, Vermont, surprised the men with his first place total time of 150.6 seconds on runs of 73.2 and 77.4. Canadian Olympian Vern Anderson of Rossland, British Columbia, had the day's best one run time of 71.5 but dropped to 79.6 on the second run, good for second place at 151.1.

TAHOE YOUTH IS 3RD
Jimmy Heuga of Lake Tahoe, another 17 year old, was third with 73.2 and 79.1 for 152.3.

NEW PULPIT BUILT FOR TAHOE CHURCH

TAHOE CITY — Gordon Moyer, lay reader and senior warden at St. Nicholas Episcopal Mission, has just completed a new pulpit for the church. This pulpit was designed and constructed by Moyer.

It is made of walnut with a soft, hand rubbed finish and evidences very careful workmanship. This pulpit helps to further the furnishing of the church and goes very well with the other altar equipment and furnishings, all of which have been constructed by members of the congregation.

The present need of the church in this area is for artists to complete the painting of the church windows.

WASHOE IS ASKED TO AID TAHOE SURVEY

RENO — An investment of \$1,500 by Washoe County is being considered as part of an overall \$45,000 survey of the Lake Tahoe area, to include insurance against pollution of Lake Tahoe and the Truckee River. A request for the \$1,500 has been made by the Lake Tahoe Planning Council, a two-state, five-county planning group for the Tahoe Basin.

"The needs are urgent," said County Manager C. B. Kinnison, to whom the matter was referred.

County participation may depend on the balance from this year's funds, Kinnison told commissioners. Before definite action is taken, Commissioner Dick Streeter asked that the planning council submit an outline of its proposed program.

BILL WOULD PROHIBIT LIQUOR IN VEHICLES

SACRAMENTO (CNS) — Legislation has been introduced that would prohibit consuming alcoholic beverages in a motor vehicle on a highway.

The bill, AB2353 by Assemblyman Nicholas Petris also prohibits the possession of any opened alcoholic beverage receptacle in a vehicle on a highway.

RESOLUTION PASSED BOOSTING GOLD PRICE

SACRAMENTO (CNS) — The assembly approved, following a long debate and close rollcall, a resolution urging congress to boost the price of gold.

The house voted 42-34 for AJR20 by Assemblyman Paul J. Lunardi (D-Roseville). It calls for federal laws to increase the price of gold from \$35 to \$105 per fine ounce, prohibits using gold in foreign aid, and to permit citizens to own gold.

The rollcall see-sawed back and forth for some time, as members changed their votes, until it finally

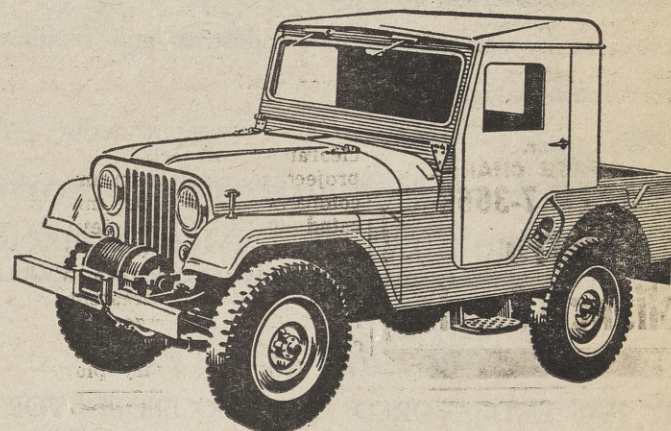

GEDDES WOULD TAKE LICENSE OF SPEEDERS

SACRAMENTO (CNS) — Senator Samuel R. Geddes (D-Napa) has introduced legislation to "slow down the Barney Oldfields of the highways" by requiring automatic 15-day driver's license suspensions for motorists convicted twice for speeding within one year.

Geddes said the bill would affect 8 million motorists in the state.

received a majority. Arguments against the bill were that it would cause inflation and hurt every industry but the gold miners.

The vital importance for all mankind of the resurrection of Christ Jesus will be stressed Sunday at Christian Science services.

Scriptural selections will include accounts from Matthew, Mark, Luke and John of incidents in the life of Jesus, including the betrayal in Gethsemane, the crucifixion, and his resurrection.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy these passages will be read (pp. 292,293):

"Truth will be to us the resurrection and the life" only as it destroys all error and the belief that Mind, the only immortality of man,

strange seeing him out working in the snow with others with others with pale faces.

It was good to see Roy and Betty Teel this past week. They were guests of the Arnold Verdi's and came to visit from Los Angeles where they have been during the winter. They plan on moving back near Colfax this spring so all of us will get to see them more often. Betty surprised Roy with a 28-foot cabin cruiser recently and when I asked if he planned to bring it to Donner Lake this summer, he laughed and said it was too large to bring up here.

Little Todd Brown will be two years old this Saturday and will celebrate at the home of his parents and sisters, Mr. and Mrs. Roger Brown, Carol, Phyllis, Roxanne and Leida.

Mr. and Mrs. Douglas Wilson, recent newly-weds from Sacramento, were visitors at the home of the bridegroom's parents, Mr. and Mrs. Ivan Wilson the past weekend. The Ivan Wilsons will be moving to Tahoe City around the 15th of April as Ivan expects the mail run situation to be straightened out by then.

Many children at Donner Lake are having the ten day measles that seem to be making the rounds. Too bad in a way that they have to have them during Easter vacation but then by the time they go back to school they should be feeling pretty good.

Donner Lake Resorts organization had a meeting last Thursday evening with many of the members present. The four lovely candidates were introduced by the former Miss Donner Lake Resorts, Shirnell Hansen, then interviewed, then the members voted for their choice. The candidates were Janice Roth, Paulette Horton, Violette Doyme and Mary Harris. Mary was chosen to be this year's Miss Donner Lake Resorts and I am sure she will do a fine job of representing the organization. She will compete with other service club candidates on April 28 at the Tahoe Truckee High School at an old fashioned box social for the Miss Donner Lake crown.

Another pretty candidate was

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO—(CNS) — The next time the public or press has trouble attending a meeting of some bumptious board of supervisors, city council, school trustees or special district board or commission, these words of Governor Edmund G. Brown, governor of the state and the supposed leader of government in California, should be recalled:

"I think the more the people know about what is going on in their government and the more questions that are asked about what is going on, the better legislation you will get and the better govern-

Sparky says:

If Fire Strikes Your Home...

GET OUT of the house the minute you discover it or smell smoke!
ALWAYS be ready to use different escape routes from any room in your house!
TEST doors before opening. If doors are hot, block them with furniture or wet mattresses to keep out smoke and gases. Get out another way!
NEVER jump from upper-story windows except as a last resort! Wait for firemen.
HOLD your breath if you have to make a dash through smoke and flame!
REMEMBER, the air is usually better near the floor in a smoke-filled room!
CALL the fire department at once! They know how to fight fire. Don't waste your time or your life trying to fight a fire, unless it's so small you're sure you can control it with the right extinguisher.
DON'T ever go back to a burning building for any reason! Smoke and fire gases from even the smallest fire can be deadly.
GET medical treatment at once, if you're burned or exposed to fire and smoke! Seemingly minor burns or smoke inhalation can have fatal results.

DON'T GIVE FIRE A PLACE TO START!

ment you will get."

Here in relatively simple language is the answer to the reason for the big battle waged for open meetings and open records in all forms of government in California, a battle that has been going on for years, and which seems to be showing a few gains for the side of the people.

The governor's observation came in a press conference, at which was discussed the policy of lobbyists holding meetings with legislators privately but declared that any public organization has no excuse whatever, except in discussion of personnel matters, for holding closed meetings.

"Let me say this about letting the public know," Governor Brown said. "I can only generalize by saying that the burden of proof should be on those that seek to prohibit the public from knowing what's going on and that goes for governor, legislators, courts, administrative officials and everybody else. Public officials should make the case for secrecy," he said, indicating if there is any case for secrecy.

"Every time you let the people know what is going on you get better government."

The governor said he is the "lobbyist" for the people, and explained that he has held meetings with legislators to which the press has not been invited. But, he pointed out there is no reason the press shouldn't be present, and indicated invitations would be made in the future.

The governor also commented on the secrecy involving hospital records, which was one of the items

MANY BONDS SOLD IN COUNTY FOR MONTH

"Northern California sales of U. S. Savings Bonds for the month of February totaled \$10,828,848," State Director Newton B. McCarthy said here today. Sales for the first two months of 1961 were \$23,619,093, compared with \$22,282,446 for the same period last year.

Nevada County sales amounted to \$35,456 of this total, he said.

brought up several years ago, and one of the matters which triggered laws requiring non-secrecy in government.

The governor said he saw no reason why hospital records should not be open, except for doctor-patient relationship, pointing out the state and federal government are expending literally billions of dollars on a hospital program, "and it is necessary that the press and the general public know about those things."

Although Governor Brown has insisted on executive meetings in his office at times since he took office, it is only fair to say that at least generally, he is heartily in favor of open government. And while at times it has been difficult to get information out of the governor's office, reluctance has been primarily because of technicalities, rather than a desire to withhold matters from the press and public.

The current legislature will strengthen laws against secrecy, and there is every indication that bills now before the two houses to do this will be signed by the governor when they reach his desk.

ADVERTISEMENT FOR BIDS

NOTICE IS HEREBY GIVEN that The Board of Fire Commissioners, Tahoe City Fire Protection District, Tahoe City, California, will receive up to and not later than 8:00 P.M., April 14, 1961, sealed bids for materials, transportation and services required for the construction of ADDITIONS TO A FIREHOUSE, such bids shall be opened and publicly read aloud at the above stated time at the Community Center, Tahoe City, California.

COUNCIL MOVES TO SAVE UPPER TRUCKEE

AL TAHOE—A move to save the Upper Truckee River as the principal spawning tributary to Lake Tahoe was set in motion this week by the Lake Tahoe Area Council following council endorsement of the project by its Board of Directors.

Described by officials of the California Fish & Game Department as the key to restoring the once abundant fish life in Lake Tahoe, the erosion control project on the Truckee calls for an estimated expenditure of \$58,000 to clear the stream of silt and debris, grading of eroded bank slopes, grass planting and some stone riprapping of the channel between Big Meadows and Highway 50.

Council directors were advised that while construction costs might be borne by the state, it is necessary to obtain the necessary bank easements along the river and guarantee future maintenance of the improvements.

WOMEN FOUND TO BE BEST CAR DRIVERS

SACRAMENTO—(CNS)—Women are better drivers than men. If you don't believe it, ask Robert McCarthy, director of the state department of motor vehicles.

McCarthy, in a speech to California's sheriff's associations, said an analysis of 4,081 negligent drivers revealed only 3.5 per cent were women. Women comprise 38.6 per cent of the state's driving population, McCarthy said.

The average negligent driver in California is a male under 26 years of age. He is a laborer or a semi-skilled person who does a lot of driving. He actually improves in driving ability under the state's "driver improvement" action.

McCarthy, in the speech at Monterey, said drivers in the 19 to 21 age group accounted for 23.4 per cent of the negligent drivers while drivers in the over-60 age bracket make up less than 2 per cent of the group.

"Youthful drivers are three times more evident in the negligent group than among drivers generally," McCarthy said.

"Among the 4,081 negligent drivers' records, only 141, a mere 3.5 per cent, were those of women," McCarthy said. "If the women's records had been identical with those of men, on a percentage basis, feminine negligent driver cases would have made up a third of the sample, or over 1,300."

McCarthy said 1,023 negligent driving cases, or 27.2 per cent were in the labor or semi-skilled class. Skilled workers made the next largest showing with 17.6 per cent and professional drivers 12.3 per cent.

McCarthy said the negligent driver drives approximately 17,219 miles a year compared to the 7,449 average.

DEER MANAGEMENT PLAN HAS OPPOSITION

SACRAMENTO—(CNS)—Hopes of returning deer management to the state fish and game commission and department of fish and game dwindled more this week as nine more counties were added to the list whose supervisors may veto special deer hunts in their areas.

The action occurred during a senate fish and game committee hearing on AB430 by Assemblywoman Pauline L. Davis (D-Portola). The bill originally would have continued provisions of existing law which set up 34 deer management regions but provide supervisors in any of the counties can veto antlerless or either sex hunts recommended by the department and commission.

Mrs. Davis had provided in the bill the veto powers would remain permanently in her seven northeastern counties and end in the balance of the state after this year.

North Tahoe Safety Council chairman, Harry S. Hooper, reports that an economical ambulance service that meets the legal regulation requirements to be a part of the North Tahoe Fire District, operated by properly trained volunteers on 24 hour basis of the fire department is being considered. Letters from interested persons should be directed to the fire dis-

trict, asking that investigation should be made as to possibility of obtaining this service. Local residents could be subject to discount in their use of the rescue ambulance by the fire district. Officers of the safety council are Hillard Holmes, E. W. Stollery, Joan Mally and Helen Ehlers. Next meeting is scheduled for Wednesday evening, April 5, at Nevada Lodge.

Happy birthdays—Greg Pope, 11 on March 23rd, and Greg's grandfather, Lynn Magill on March 19th.

Double birthday celebration with family was enjoyed by Greg's sister, Martha, parents, Walter and Eva Lynn, grandparents Lynn and Eva Dee Magill, and great-grandmothers, Annie Scoggin and Josie Rush.

PARK BIDDING BILL PASSED BY SENATE

The senate, in an action inspired by the Squaw Valley furor, voted 39-0 Wednesday to require competitive bidding for state park concessions.

The action sent the legislation by Sen. J. Howard Williams, R-Porterville, to the assembly.

The measure would require all concession contracts of more than two years' duration to be offered on a competitive bid basis, rather than by direct negotiation as now.

\$50,000 SUIT FILED AS RESULT OF ACCIDENT

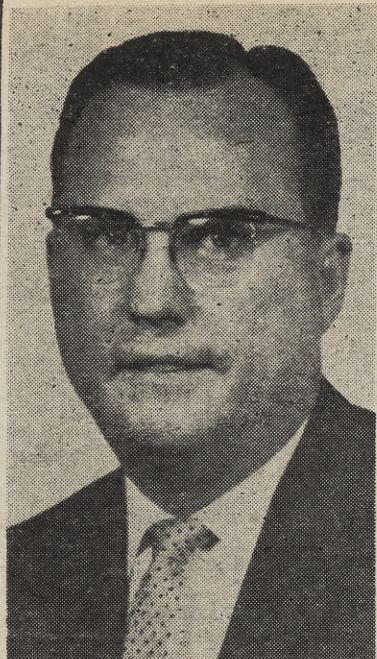

A civil suit was filed in the Nevada County Superior Court last week against the Squaw Valley Development Co., asking for more than \$50,000 in damages as a result of an accident on the chair lift last September 3.

The suit is brought by James S. Hurley, Jr., and Mildred Hurley. In the complaint they charge that because of negligence, carelessness and recklessness of the company in operation of their lift the plaintiffs suffered severe injuries to their persons that will maim them for life.

HOCKEY GAMES

Continued From Page 1
to be the most perfect ever built for indoor ice events.

"We will be 100 percent ready for the Far Western Ice Hockey Championships," Kerth said.

Powerful teams representing the San Francisco Bay Area, Sacramento, Los Angeles, San Gabriel, Denver, and Salt Lake will compete in a round-robin of exciting games on both afternoons and evenings of the April 3-9 weekend. All six teams are loaded with all-star players who were seen in the Olympics. The Denver team once beat the American Olympic team and tied the Russians.

Incidentally, the world famous score: USA 3, USSR 2, is still on the scoreboard. It will be left there as a dramatic remembrance of this great game and of the 1960 Winter Olympics, held for the first time in California at Squaw Valley.

"Thrills of the winter games are remembered by many thousands who were privileged to attend the great skiing, skating and ice hockey events, and by millions who watched on international television," said Director Kerth. He recalled post-Olympic statements by many observers regarding Blyth Arena: "It will become the center of the Sierras"—"Squaw Valley residents will pull together and bring back great sporting and cultural events to the Olympic site"—"This is California's greatest monument to the youth of the nation and will be used again and again."

Olympic Village officials believe these predictions may come to pass in the immediate future, with the many and varied uses projected for Blyth Arena. Ice hockey inaugurates; figure skating championships may follow. Musical and other cultural events are being planned. Championship horse shows and perhaps a rodeo are all in the making.

Sports, antique, and classic car owners are scheduling a colorful rally for this spring. Plans are also being made to make possible other sports events such as indoor tennis. Blyth Arena is also highly suitable for convention and exhibit facilities, and may even be used for Broadway-brand theater.

"More than 50,000 people a day come into the Lake Tahoe-Squaw Valley area during the summer," Olympic Village executive Newsom points out. "Blyth Arena is the natural center for those seeking great indoor events. With Squaw Valley factions now pulling together, the residents of the west, the millions of coming visitors, and our nation's youth will be the real winners in the facilities founded by the Olympic Winter Games."

ACCIDENTS

accident half a mile east of Floriston on the freeway.

Cravter apparently lost control of the car, hit the divider and the vehicle overturned.

Both men are employed by the treasury department.

Dr. Gardner Pier of Olympic Valley and Robert Pissel, Pebble Beach, escaped injuries when their cars collided Monday morning at 7:45 o'clock on the Squaw Valley road.

MORE WRECKS

Earl B. Mack of Reno had minor injuries when his car skidded over a bank near Farad Monday at 5:45 p. m.

Mrs. Ralph Harrington of Truckee suffered injuries when a car driven by her husband and one operated by Herbert Kahn of Tahoe City collided near the Tahoe City Wye Monday at 6:15 p. m. Harrington was cited.

Peter M. Schmidt, Tahoe City, was cited for speeding after his car skidded to avoid a car driven by Paul L. Sanderson, Jr. of Tahoe Vista at Tahoe Vista Monday afternoon and crashed into a tree. Schmidt, 18, and Marion Johnson, 15, were injured.

Harry G. Davis, 53, Alameda and Leroy White, 39, Oakland, were hurt when the car driven by Davis skidded and hit a tree 3 1/2 miles west of Truckee Monday afternoon.

TAHOE BOY FINISHES TRAINING IN NAVY

SAN DIEGO (PHINC) — John D. Hintermeister, Jr., son of John D. Hintermeister of Tahoe City, was graduated from recruit training, March 10, at the Naval Training Center, San Diego, Calif.

The graduation exercises, marking the end of nine weeks of "boot camp," included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

Marcia and Bruce Leamon have been vacationing at Sacramento.

SISTER, BROTHER IN HOSPITAL SAME TIME

Merrill Englehart and his sister, Mrs. Roger Hamlin were in the hospital at the same time in Arcadia and both are now reported to be on the way to recovery, according to word received by their grandmother, Mrs. William Englehart.

Merrill, during the course of examination for military service was found to require an operation and will have a recuperative period of three months before reapplying for service.

Mrs. Hamlin came home from the hospital in time to join the family party March 24 for their daughter, Cindy Lou on her first birth date.
